

Subpart—Exotic Bee Diseases and Parasites

SOURCE: 50 FR 24172, June 10, 1985, unless otherwise noted.

§ 319.76 Restrictions on importation of restricted articles; disposal of articles refused importation.

(a) No person may import any restricted article unless in conformity with all of the restrictions in this subpart.

(b) Any article refused importation for noncompliance with the requirements of this subpart shall be promptly removed from the United States or abandoned by the importer, and pending such action shall be subject to the immediate application of such safeguards against escape of plant pests as the inspector determines necessary to prevent the introduction into the United States of plant pests. If the article is not promptly safeguarded, removed from the United States, or abandoned for destruction by the importer, it may be seized, destroyed, or otherwise disposed of in accordance with section 414 of the Plant Protection Act (7 U.S.C. 7714).

(c) A restricted article may be imported without complying with other provisions under this subpart if:

(1) Imported by the U.S. Department of Agriculture for experimental or scientific purposes;

(2) Imported at the Plant Germplasm Quarantine Center, Building 320, Beltsville Agricultural Research Center East, Beltsville MD 20705, or at a port of entry designated by an asterisk in § 319.37-14(b);

(3) Imported pursuant to a departmental permit issued for such article and kept on file at the port of entry;

(4) Imported under conditions specified on the departmental permit and found by the Deputy Administrator to be adequate to prevent the introduction into the United States of plant pests, i.e., conditions of treatment, processing, shipment, disposal; and

(5) Imported with a departmental tag or label securely attached to the outside of the container or securely attached to the article itself if not in a container, and with such tag or label

bearing the name of the person to whom the permit is issued.
